

# KANSAI THRU PASS User Guide

One PASS allows you unlimited ride on the trains and buses operated by about 40 transport companies in Kansai. It is easy to make transfers and it offers many benefits. Check how to use it for a smoother transit!

## How to use the KANSAI THRU PASS \*Described as 'KTP' herein.

- 1 Insert the KTP into the ticket gate or the ticket reader on the bus with the arrow on the front pointing forward.  
\*Insert the KTP slowly.
- 2 Once inserted, the day of travel and the name of the station where you will begin your travel will be printed on the back of the KTP.  
\*One day is counted as the duration from the first train to the last train in a day (not for 24 hours from the first use.)
- 3 Insert your KTP in the ticket gate when exiting. Be sure to take your KTP with you once it is passed through.
- 4 Some trains and buses may require you to present the KTP to an attendant.

## Things to remember when using the KTP

- The KTP can be used on consecutive days during its period of validity (E.g., Monday and Friday).
- Use the ticket gate or ticket machine on the bus. Insert the PASS in the direction of the arrow on the front of the PASS.
- Some train ticket gates and bus ticket machines are not accepted to read the PASS. In that event, please note the date of use on the back of the KTP with a permanent ink pen and show it to an attendant when required.
- Please check the website or app for available routes.
- The KTP cannot be used on the JR line.
- If travelling on the Limited Express train with reserved seating operated by Nankai, Kintetsu, Semboku Rapid or Keihan, you will need to purchase a separate limited express train ticket, a special carriage ticket or a reserved seating ticket.
- If the magnetic strip on the PASS stops working during your travels, the PASS can be reissued at major stations.
- The KTP cannot be reissued in case of loss.
- Once you start using the KTP, refunds cannot be given for cancelled services.
- If a KTP is misused, it will be invalidated and confiscated. Additional fares will be charged according to the rules of the respective train or bus operators. Children's ticket will emit a beep when passed through the ticket gate.
- Traveling outside the KTP's zone will incur additional fares. Please ask an attendant staff.
- Other uses of the PASS depend on the conditions of carriage set out by the transportation used.
- Do not place the KTP near magnets (smartphone cases, etc.)

## Show the KTP and take advantage of services on offer!

The KTP will not only allow you unlimited ride on the buses and trains, but it will allow you to receive various services by presenting it at almost 260 tourist sites.

- Due to the establishments, the following coupons or app coupons may need to be presented along with the KTP.
- Information provided is subject to change without notice.
- Benefits offered by establishments is only valid on the day you use the KTP.
- A coupon is valid for one person per establishment. Separate each coupon for use.
- Enquire the establishments offering benefits for details such as the hours of operation.
- Fares listed are for adults unless they are specified otherwise.
